In 2010 you can complete and track your Single Payment Scheme Claim online

APPLY
ONLINE
IN 2010

Farmers and agents can use a range of new online services which will make it easier to manage Single Payment Scheme information.

When you apply online, you have help at your fingertips. The new online services that will be available in 2010 can help you:

- Check your application for common errors so you can correct before you submit it
- Get an instant official receipt that shows the Rural Payments Agency has received it
- Update your customer details directly online
- View your Entitlements and Claim Statements so you can track progress

You will also be able to submit your claim online using these software packages:

Paul Holliday Software www.phsoftwaresolutions.com

Farmplan www.farmplan.co.uk

So don't miss out!

We will be sending more details of these services to you soon.
